

**Ways of Knowing Jigsaw
Journal #14**

WOKs covered in the jigsaw – pick any three you would like to explore as a group

Memory – Chapter 6

Emotion – Chapter 9

Faith – Chapter 10

Imagination – Chapter 11

You are responsible to:

- 1. Read/Take notes on the chapter you were assigned**
 - **Outline the main ideas in the chapter**
- 2. Develop the following on the information regarding your WOK:**
 - **Biology, mechanics**
 - **Differences in shared vs. personal**
 - **Gains and limitations**
 - **Compare/contrast to the WOKs we covered as a whole class**
- 3. Prepare a typed note sheet on your WOK that includes #1 & #2**
 - **this will be used in #4, included in your journal, & submitted to tii**
- 4. Prepare to teach the main ideas of the WOK to others.**
 - Pre- Set [what can they do to get their brains started?]**
 - Presentation [they take notes]**
 - Assessment of material**
 - [How will you know they've learned?]**
- 5. Take notes on what others present to you for other chapters/WOKs**
- 6. Be prepared to answer a compare/contrast in-class prompt when presentations are complete to ensure the processing of the new knowledge**

| Group Members Name | WOK Responsible For Presenting |
